Fun Fact

- Backpacked/traveled to 30+ countries, and lived in Turkey, Egypt, and Jordan.

Projects

TravelNHost [React, Redux, PostgreSQL, Rails]

[Live](#) • [GitHub](#)

- Utilizes a React RESTful architecture with a Redux framework to provide info on demand without load time for reliable DOM rendering.
- Integrates Google Maps API to accurately map users in 17 destinations.
- Combines ActiveRecord with PostgreSQL for custom queries.

Yoshi Jump! [JavaScript, HTML Canvas]

[Live](#) • [Github](#)

- Simulates gravity and provides collision detection through JavaScript.
- Renders a seamless 2D motion experience and a fun, light-hearted UI.

Work Experience

Hobsons

Apr 2018 - present

JavaScript Developer

- Fix bugs and build features in an agile environment in bi-weekly sprints.
- Develop components using modern technologies such as React, Redux, Flow, and SCSS for a product used by millions of student users.

New York University

Mar 2015 – Nov 2017

Outreach Administrator, Kevorkian Center for Near Eastern Studies

- Oversaw and implemented website migration in cooperation with the NYU FAS Communications team to design a user-friendly website.
- Developed a new partnership with the NYC Department of Education by successfully obtaining professional accreditation for four intensive teacher training programs, increasing new audience base by 35%.
- Managed all aspects of professional development programs for k12 educators, including curation of topics, speaker selection, and budget.
- Designed a variety of publicity materials using Adobe Illustrator.

American Turkish Society

Oct 2013 – Mar 2015

Program Officer

- Conceptualized arts, business, policy, and networking events; identified speakers and sponsors; negotiated contracts with vendors and venues.
- Contributed to two New York Turkish Film Festivals, a program with an audience of over 1200. Main responsibilities included managing 20+ volunteers, managing venue logistics, and obtaining sponsorships.
- Managed all of The Society's varied grants and scholarships programs.
